Traffic Update

Projects affecting San Marcos traffic for week of May 16 - 22, 2010

Online: sanmarcostx.gov/traffic

SESSOM DRIVE, Texas Department of Transportation will begin resurfacing on Sunday evening, May 16, from University Drive to Academy. The project will include guardrail improvement, milling and overlay to create a smooth final surface with fresh striping. Final completion scheduled for early July. TxDOT Public Affairs, 512.832.7060.

RANCH ROAD 12, 2400 block, traffic will be detoured onto the new pavement, weather permitting, on May 20. Please drive carefully and be aware of construction vehicles and workers in construction area. Construction will continue until further notice. Capital Improvements, 393.8130.

DOWNTOWN ADA IMPROVEMENTS, construction will take place on many of the handicap ramps throughout the downtown area starting on Monday, May 17. Lanes will be closed but the streets will remain open. Scheduled completion is end of summer. Capital Improvements, 393.8130.

COMANCHE, from Hutchison Street to MLK, construction of new waterline will be start on Monday May 17. This project is expected to take three months and construction will be limited to one block at a time. Please follow detour signs. Capital Improvements, 393.8130.

C.M. ALLEN PARKWAY, from IH 35 frontage road to Hopkins, one lane closed at a time due to milling and overlay from May 6 to the end of May. Public Services, 393.8036

WEATHERFORD STREET, one lane will be closed due to lane widening, curb and gutter improvements until the June. Public Services, 393.8036.

EAST MCCARTY LANE, construction of additional lanes began in April outside existing pavement with minimal impact to motorists. McCarty will remain in service until the final connection to the new improvements in October/November. Please watch for periodic closures, heavy equipment, slow vehicles, and stopped vehicles between IH-35 and Old Bastrop Highway. Capital Improvements, 393.8130.

CHEATHAM STREET, from Rio Vista Street to Field Street will be closed to through traffic for installation of new wastewater line. At Riverside Drive, one lane closed at Cheatham Street starting May 17 for approximately one week or until the work is completed. Construction runs from April to end of May. Please follow detour signs and use Field Street, Sycamore Street or IH 35 frontage road to avoid the area. Rio Vista Terrace Neighborhood Improvements. Capital Improvements, 393.8130.

HAYNES, from Cheatham to Riverside Drive, road closed in different sections to through traffic for installation of new water line until the end of June. Motorists are advised to use C. M. Allen Parkway or Hopkins Street as possible detour routes. Rio Vista Terrace Neighborhood Improvements. Capital Improvements, 393.8130.

CRADDOCK AVENUE, construction on the Craddock Avenue extension from Bishop to Wonder World Drive continues through August. The intersection of Bishop and Craddock will be closed during construction. To turn left on Bishop, detour left on Allen Street. To turn right on Bishop, continue straight and follow the cones. Please follow the detour signs and watch for heavy construction equipment at Wonder World, Bishop Street and the Park Road at the end of Franklin. Capital Improvements, 393.8130.

WONDER WORLD DRIVE AT HUNTER ROAD is open to traffic. Northbound motorists turn right at Wonder World Drive. Large trucks should detour to Stagecoach Trail. Sidewalk is closed on Hunter at construction entrance until further notice. Public Services, 393.8036.
